Hello,

Building on the overwhelming success of the three batches, we are happy to announce **Batch 4** of the TalentSprint WE (Women Engineers) Program, supported by Google.

WE is a **2-year** gender inclusion program that selects and nurtures deserving **first-year women engineering students** to become world-class software engineers. The program has trained and empowered over 500 women engineers across India in the last 3 batches. It is now aiming to train **250** passionate and aspiring women engineers in the upcoming batch.

As a participant of WE, your women students will

- Receive mentorship from engineers and technology leaders at Google
- Learn from experts at TalentSprint
- Work on real-life projects
- Get a **100% Fee Scholarship**
- Receive a **Cash Scholarship of ₹1,00,000/-**
- Participate in global coding hackathons
- Have access to internship and career opportunities with leading organizations

## WE Alumni work with Top Companies in Premium Roles

You can forward this email to your women students and help them become world-class software engineers. **The last date to submit Applications is 15th March 2022**

### About NSE Academy Limited:

NSE Academy Limited is a wholly owned subsidiary of National Stock Exchange of India Limited (NSE). NSE Academy promotes financial literacy as a necessary life skill. NSE Academy's initiatives, including partnerships with state and national school boards and schools, interactive courses on personal finance and certification programs, teaching school children, homemakers and other non-finance professionals the value of investing, provide an introduction to the Indian capital markets and help to develop new market professionals. As an auxiliary part of its services/business, NAL has also launched various international certificate and PG programs to empower and develop the skill sets that may enhance ability of younger generation further and also to be competitive in the international financial sector. NAL's cutting edge content is embedded

into the PG programs offered by various higher educational institutes to develop future ready BFSI professionals. The courses offered by NAL are a valuable addition to the learning journey of universities and college students for bridging the employability gap.
