

DevaBhaasha - the Sanskrit Game

Greetings from All India Council for Technical Education !

We are happy to inform you that a Learning and Development Leader -Sh. Neelacantan Balasubramaniam introduced "Deva Bhasha " (The Sanskrit Card Game). DevaBhaasha is a collaboration between Coolture Designs and Thotpot Designs. They work on ideas using Indian culture as a base and reimagining it.

DevaBhaasha approaches Sanskrit as "language first" and not "grammar first". Using a combination of symbols, colours and patterns - players compete with each other to make Sanskrit sentences. The game logic is based on Sanskrit grammar.

Sanskrit enthusiasts, Sanskrit students, Institutions with Sanskrit in their curriculum, Parents/Teachers who are passionate about Sanskrit who can play Sanskrit card games.
