

AICTE in collaboration with AWS presenting an exciting opportunity for students | AWS DeepRacer Student league -India 2022

On 6th June, the Honorable Minister of Education had announced the launch of [#DigitalSkilling Initiative](#) (URL of which is: <https://1crore.aicte-india.org/>)– Making India the global digital talent hub. It aims to create 1 crore digital workforce in emerging technologies.

Amazon Web Services (AWS) in collaboration with All India Council for Technical Education (AICTE) is organizing [AWS DeepRacer Student League – India 2022](#) (<https://awsdeepracerleague.in/2022/index.aspx>). The AWS DeepRacer Student League is an initiative to skill students on emerging technologies like Machine Learning(ML) and Artificial Intelligence(AI). The event brings exciting prizes, employment and scholarship opportunities to winners at different stages. All participating students will get a digital certificate of participation.

The event is open for all students who are 18 years or above in age and are currently enrolled in a recognized academic institute in India. It will consist of [three rounds](#) (<https://awsdeepracerleague.in/2022/index.aspx#journey>)- preliminary, semi finale and grand finale. Throughout the course of the event, there will be different self-learning and enablement activities that will help students to get started with Machine Learning.

PLEASE ENCOURAGE ALL STUDENTS TO REGISTER FOR THE EVENT - [HERE](#)

For any queries regarding the program, please write to- support@awsdeepracerleague.in or internship@aicte-india.org.
