

MATURI VENKATA SUBBA RAO ENGINEERING COLLEGE, NADERGUL, R.R.DT.
Department of Applied Sciences & Humanities

Circular

Date: 27/08/2021

This is to inform to BE First year students that the practical class work for the semester-II in all the concerned subjects would be conducted offline in the respective laboratories from 06.09.2021. In view of this, students are instructed to make note of the following

1. Practical class work in the laboratories would be conducted for two days in a week per subject.
2. The time-table for practical classes would be displayed in the class groups
3. Attendance for practical classes is mandatory and the experiments performed by the student in the lab will be considered for internal evaluation.
4. Because of the existing pandemic situation, students are instructed to follow safety measures while coming to college
5. Students are instructed to strictly wear mask and carry hand sanitizers in the college premises
6. They are advised to maintain social distance while in college
7. Students are advised to make their own transport and food arrangements during offline classes. Canteen facility is also available.
8. For any queries contact the following coordinators
